## BUCCANEER KEY DATES –2014

**AUTUMN EDITION** Articles to the Editor by **Saturday 18th October 2014**

**WINTER EDITION** Articles to the Editor by **Saturday 31st January 2015**

The Committee wish to reiterate the guide-lines on any pictures that may be used for publicity purposes.

Any person submitting pictures featuring children which may be used for publicity purposes by the Club, must provide the name of the child/children featured and the associated permission slips for those children, signed by the parent/guardian. Slips are available from Stewards or Group Secretary

Views and comments in this edition are not necessarily endorsed by the Boating Group or the Camping and Caravanning Club.

## COMMODORE'S REPORT

I hope you are enjoying your season so far.

Following the AGM we have 2 vacancies on the committee .For anyone who has an interest in learning more about what is involved in joining the committee please contact myself or any other committee member to learn more. It is possible to attend a committee meeting as an observer. We only hold 3 committee meetings a year one of which is the same day as the AGM.

We have an urgent need for someone who is willing to learn the Treasurer's job to enable them to take over for the 2015 Financial year. There will be a seminar at HQ in November which will include a section for Treasurers which would ideally be attended by anyone appointed for the following year. The Boating Group has a history of supporting new treasurers well and this will still be the case, you won't be abandoned once you agree to the post please contact myself or Phil about this if you have any questions about this vital role.

We also still need stewards for several meets if they aren't to be cancelled. See the meets section for details. Maggie has worked on a revised steward's handbook and Beryl has a spreadsheet available for stewards who would find it helpful. Please check the website as we will endeavour to put any new information or cancellations on there.

I hope you enjoy fair winds and a good summer.

**Tracy McLaughlin**

Many thanks to all who have sent in articles for this edition of Buccaneer –please keep them coming. Photographs are most welcome too.

The email edition of Buccaneer has many more photos than the printed edition —and they are in colour!!! Why not contact the webmaster & ask for your Buccaneer by email?— Ed.

## Linch Hill July 2013

In July 2013, my family and I went to Linch Hill to camp for 4 days with the Boating Group. The weather was absolutely fantastic with mostly sun and light winds - perfect for our boat (an Enterprise).

We arrived, much to my excitement and found the spot where our tent would be; right next to the 'harbour' on flat grass a stone's throw from the lake. Our friends helped us to set the boat up getting her onto her launching trolley, raising the mast and rigging the sails. Before too long I was sailing her single-handed across the lake alongside David in his family's GP14. It was dusk (9pm) before we reluctantly left the water that evening. With some difficulty we pitched David's tent after the offer of a sleepover tempted me to desert my family tent.

We woke the next day to light winds meaning good sailing weather; a bit more would have been perfect. The day was spent mainly sailing, rowing or being entertained by the others playing pirates and getting wet. One time we looked out across the lake (yes, I had actually come in for once) and saw the Minisail on her side and starting to turtle. Sophie, David's sister, was on the dagger board and her friend was in the water; the boat's mast slowly rose from the depths and gradually broke the surface. So that's why it looked so hard to pull up: there was the biggest clump of weed that I had ever seen hanging from the masthead. The mast was at about 45 degrees and the question in our heads was who would wear the wig! Unfortunately the weed slipped reluctantly off and landed in the water before the boat could get any further up.

The following day and we were anticipating more light winds. Famous last words!!! Fast-forward and there I am, sailing Jonathan's Mirror Dinghy in a near gale with David. The feeling I got whilst hiking (sitting out) and watching the spray being thrown aside as she surged forwards, was of exhilaration and immense happiness. Whooping as we went about, a gust caught us and we threw ourselves out to hike, balancing the heeling boat. Tacking for the next time, several things happened in quick succession: we heeled right over and water dribbled in over the gunwale, we saw our Enterprise being christened (her first capsized!) and the GP14 starting to slice through the water like a hot knife through butter.

On quiz night it bucketed it down with rain causing a gazebo to be put up. We brought along our picnic rug to sit on instead of the damp grass. Everybody enjoyed themselves but the icing on the cake was our victory; beginner's luck or total masterminds, I don't know!?

The next morning on our way to the shower block, we noticed thousands of tiny frogs about the size of a fifty pence piece hopping around. Eve, my sister, became a frog rescue unit, trying to save the miniscule animals from being trodden on!

This was the last day of a brilliant week packed full of sun, fun, sailing, bailing, frogs and friendship. As we lowered the Enterprise's mast and prepared for the journey home I thought to myself about the sailing, the quiz, the friendliness of the campers and how much I would love to come again. Thanks to Beryl and Dave's kindness our stay at Linch Hill could not have been better.

Dan Batty – Aged 11

## Saundersfoot by Ashley Davies (age 12)

Many apologies to Ashley –this should have gone in the last Buccaneer with his article last time.

Congratulations also to Ashley for the Award of the Mel Shore Trophy. We look forward to hearing what courses he goes on during the year. Ed.

# Linch Hill

## Linch Hill Leisure Park in Oxfordshire – one of the Boating Group's best kept secrets

This is a delightful, very un-commercial site set in rural Oxfordshire. Camping is around the western edge of the 47 acre Stoneacre Lake, the largest of the lakes.

During our camping weekends the owners allow us all day access to the water for sailing, canoeing or windsurfing. Normally only the fishermen are allowed access to the lake, so this is an exclusive opportunity available to Boating Group members.

This is a very safe stretch of water for boating, ideal for youngsters and novices to perfect their skills, but also lovely and relaxing for the more experienced.

There is so much wildlife in the park; there have been many times I have been on the water and had herons flying overhead and landing on the island just in front of me. Or in spring you can see whole families and ducks and geese bobbing about in the shallows near the island. There is a lovely walk around the lake so even if you do not take to the water you can still experience the lovely sights. In the spring the birds are either nesting or have families of young. Last summer we picked cherries from the trees on site and in autumn blackberries and sloes (for the Christmas sloe gin) were all hunted out.

The children all love this site, there is a small play area, but the real draw is just messing about on the water and the two later meets are deliberately timed to be in the school holidays so allowing families to come for the longer weekend. Craft of all shapes and sizes take to the water and I don't think I have ever heard a child say "I'm bored" during their stay.

Linch Hill is always a very sociable meet, with coffee morning and opportunities for evening gathering for a quiet chat with fellow campers and of course the highlight of the event is the Saturday night BBQ. A real BBQ using deadwood collected from the site (the children love helping Dave collect wood). We have a big barrel barby that stays on site so everyone can come around and cook on it. A quiz rounds off the evening ( nothing too demanding).

There is an onsite cafe and the fisherman's breakfast is always popular with members. Besides the lakeside walk there are longer walks or cycle rides and the Thames is only a short distance away, with lovely riverside pubs. The delightful market town of Witney is about 4 miles away and is often the venue for the cyclists on sight.

So if you have never visited this venue before make a date in your diary for one of the three visits planned this year. You will be assured of a warm welcome and I am sure you will not be disappointed.

Spaces may be limited so booking is essential.

Regrettably due to the amount of wildlife it is a site rule that dogs are not allowed.

Beryl and Dave Ireland  
Stewards

## Members meeting following the 2014 AGM

The Mel Shore and Alf Gardner trophies were awarded. The Mel Shore trophy went to Ashley Davey for his articles in the Buccaneer. The Alf Gardner trophy went to Chris Nightingale who has been running events at Bala for children for a number of years.

The use of seasonal pitches by parents of the Club member who had already paid for the seasonal pitch was raised. Even though the parents were also Club members, they had been told that they would have to pay the full pitch fees. Whilst the member understood the need to ensure that pitches were not sub-let, in the circumstance described it appeared a bit excessive.

Keith Jackson agreed to obtain further details and take it up with the Club HQ.

A member raised a question about whether Club members could obtain similar benefits for sites on the continent. It was noted that holders of the CCI card enabled the holder to camp at member rates that these are also valid on the continent. It is also possible for visitors from overseas to have overseas membership of the Club.

The increase in site fees during holiday periods was raised, as this particularly affects those with children who have no option but to holiday in the peak periods.

There was a general concern about how the 2014 pricing had been advertised and how it worked.

Keith said that he had asked for a Q&A to be produced on Club pricing as there was some confusion. On seasonal pricing, it was a commercial decision, there was a need to maximise income during the high season to cover the reduced income the low seasons.

A member asked why motorhomes had to be on hard standing and therefore be charged for using electricity. Not everyone wants to use electricity.

Keith said there was no rule that motorhomes must use hard standings and would take this up with HQ. However, 6 Club sites are all electricity, but if parking on grass there was no requirement to use electricity.

There were comments about the recently introduced Apps, and that these were very useful especially the sites one.

Keith was asked if he could make any suggestions on how groups could increase the number of Committee members, there were Regions/ DAs which did not have their full complement.

Keith said that it had been noted that few Regions had been holding elections and that this was a cause for concern. There were 68 vacancies on Regional Councils some of whom were having real problems and there had only been 29 nominations and of those only 19 new candidates. Regions/ DA's and Sections could consider whether the number of committee members could be reduced, say to 6. Sections etc. could consider the structure of their committees; do all current posts need to be filled?

The Commodore thanked members and Keith and called the meeting to a close.

### NEW SEASON—NEW HANDBOOK

A few Boating Group Meets have already happened this year, but the majority have yet to take place. By the time you read this all Stewards will have received a copy of the latest version of the Stewards handbook and Meet Pack. It was intended to greatly reduce the number of sheets of paper, that has been partly achieved, mainly by removing duplicated sections and out-of-date contact details. But some of what needs to be included is in the 'Green Papers' issued by The Camping and Caravanning Club and they are also suffering from the 'Topsy' effect - it just grows! Green Papers exist to cover all aspects of running the Club from charity aspects to size of committees and safety issues.

As Stewards, you are in ultimate control of the Meet, so if any problems do occur it is best if you have the necessary information and contact details with you. Everything you should need is contained in the latest copies of Buccaneer, the Stewards Handbook and/or The Camping and Caravanning Club's 'Your Big Sites Book'. Have a quick look at these and take them with you for reference just in case you have a query while away.

Many thanks for being Stewards, without you our Meets would not take place.

### Camping Tip

In emergency situations, you can survive in the wilderness by shooting small game with a slingshot made from the elastic waistband of your underwear.

## Camping Tip

When using a public campsite, a tuba placed on your picnic table will keep the pitches on either side vacant.

**The boating season in India is now closed due to monsoon. If you desperately want to go boating, try this (at your own risk).**

# BOATING GROUP TROPHIES

## Alf Gardner Trophy

This trophy is awarded by the committee for 'on water' boating achievement by a family member of the Boating Group who is under 18 and comes with a bursary towards waterborne training. Alf Gardner was an early member of the Boating Group from 1973 until his death in 1978. He was one of many members of the Mirror Association who joined us when we arranged joint rallies. He was an enthusiastic sailor supporting events in the Midlands and nationally. The trophy in memory of Alf was agreed in 1978 -9 and was carved by committee member Bill Lee with the brass work arranged by Colin Edwards. The trophy was originally presented at the Rutland meet to the crew (under 16) who had the best results competing in the Rutland regatta which was held during our meet at that time. . We understand that he missed our first Rutland meet due to ill health. If any members have any further memories of Alf we would love to hear them.

## Mel Shore Trophy

This trophy is awarded by the committee for any article printed in the Buccaneer that was written by a family member of the Boating Group aged under 18 and comes with a bursary towards waterborne training. Mel died in 2008 after a long battle with cancer. He is fondly remembered by many as Editor of the Buccaneer and as an enthusiastic and knowledgeable sailor who was always prepared to cheerfully offer advice on sailing matters. The Mel Shore trophy was commissioned and made by Mike Wooldridge and first presented at our 40<sup>th</sup> anniversary meet.

## National Feast of the Lanterns 2014

**Thursday 28<sup>th</sup> August 2014 – Monday 1<sup>st</sup> September 2014**

Margaret Thompson & John Bolton (Stewards)

Isle of Anglesey

The NFOL is the main club event of the year and is attended by members from all over the UK. It has always been supported by the Boating Group and we have a reputation of putting on a "fantastic display", winning a number of prizes throughout the years. During the event you can enjoy displays, shows and entertainment to suit all ages, this ranges from clay pigeon shooting, bingo, craft activities and children's entertainment along with motorcycle stunt displays and falconry.

On the Saturday evening it is tradition for the Boating Group to join many other sections in putting on a themed display. This year we have chosen "Easter" as our theme and hope that we can live up to our reputation.

If you would like any further information then have a look at the NFoL 2014 website or contact the stewards.

## Calling all younger members of the Boating Group

**The Mel Shore Trophy** is an award for the best contribution to the Buccaneer. It has been set up in honour of one of our much loved former editors of the magazine. In addition to the award the committee have added a **£75 bursary** to be spent on a water sports course or qualification. The award is open to any young person (under the age of 18) who is a child or grandchild of a Boating Group member. Please send all entries by e-mail or in writing to Colin Knight.

Your entry could be a picture, a story, an article, a poem or anything else linked to water, boats or the Boating Group. So come on kids get writing or drawing and you could be the winner.

**The Alf Gardner Trophy** has been awarded to Boating Group youngsters for many years. It will be awarded to a child or grandchild of a Boating Group member (under 18 years ) who achieves something special, no matter how big or small, on the water or linked to their water sport. Achievements will be considered on merit. Again the committee have added a **£75 bursary** to be spent on a water sports course or qualification. Nominations can be made

by stewards, parents or relatives. Again send all nominations to Colin Knight, in writing or by email.

Each Trophy can only be won once by any individual.

**Remember 'You have to be in it to win it'**

**The closing date for entries will be 1st April 2015, but don't wait till then,  
SEND YOUR ENTRIES IN NOW to**

**Colin Knight**

**Home Farm, Kenwick, Louth, Lincs. LN11 8NP**

**email: [Colin@home-farm.org.uk](mailto:Colin@home-farm.org.uk)**

**The winners will be announced during the Group's 2015  
AGM**

### **WEBSITE - MEMBERS AREA**

Following a number of requests we have created a 'member's area' on the website that is only available by entering a password. The area is under the 'more' section drop down menu on the right hand side. The password can be obtained from the webmaster by completing a 'contact us' form also under the 'more' section. Please do not forget to quote your membership number. In this section we have been adding forms & information that you will find useful when camping with the Boating Group. It's 'work-in-progress'. A copy of the Boating Group magazine can be downloaded from here along with a list of sites where boating is available. Any suggestions for further information are welcome.

# BOATING GROUP EVENTS PROGRAMME

## General Information.

The meets programme for 2014 is printed for your reference. Please contact the steward for the latest situation regarding fees, availability, directions etc., before booking. If you haven't been to a BG meet before the procedure is simple.

For **Temporary Holiday Meets (THS)** send your booking form (see P.25) with a cheque made payable to the CCC Boating Group to the meets steward (unless specified otherwise) ASAP (and an SAE (if you are not on email) for their reply). If all the places have gone the steward will contact you. You can then either have your cheque back & book another meet or be kept on the waiting list. You can avoid this inconvenience by telephoning –or emailing – the steward first (**recommended**) to confirm a place is available & book it-but you must then send in the cheque & form straight away otherwise you will lose your place (in fairness to other members). **If paying by BACS please include the App Code in the reference-it is included in the meet info –it ends ‘/ 2014’.**

For **weekend & 5 day meets** you are advised to email or phone the steward first to register your interest and make sure a place is put aside for you (if booking is necessary), then send in a booking form (they can be emailed). **Do not send in any money** (unless specified) with your booking form as fees are usually collected in cash on site.

Remember!! If you have booked a meet and you have to cancel for whatever reason **please, please** tell the steward at once. Whether you have paid any money or not is irrelevant. It is polite to email or phone and cancel, since many sites have limited spaces the stewards will almost certainly be able to fill your vacancy from their waiting list if given fair warning. Remember, play fair, one day it could be you on the waiting list!

To contact a steward see P.16. Also look at the committee and contacts pages near the back of the Buccaneer and contact Beryl Ireland, the Chairman of the Meets Management Committee if you would consider stewarding one of these – or any meets in the future. We are always pleased to receive offers of help with stewarding and there is a 'Meet Pack' & 'Spreadsheet' for each site which makes the whole job a lot easier. Without stewards there would be no meets and it really isn't that difficult to do. The work of our existing stewards is highly valued and appreciated.

Please note that the fees in the meet details are for a 'unit' of two adults and two children, extra persons *may* have to be paid for.

**We seek them here, we seek them there –DO YOU know anyone who could volunteer to — join our committee???? —or —steward a meet?????**

This popular coastal site welcomes all units and is an excellent area for all types of water sports. Launching is easy at most states of the tide and the boat park is next to the slipway and the beach. Fine dinghy sailing can be enjoyed in the sheltered waters of Newport Bay and also on the estuary at high tide. Both river and sea canoeing can be indulged as can windsurfing either on the estuary at high tide or across the estuary off Newport sands for the more experienced.

The site is a small family owned commercial one, popular with coastal path walkers, with toilets and shower facilities and café, but unfortunately no hook-ups. There will be a social tent and dogs are allowed. Newport is just 10 minutes walk away, with a bank, Post office, several restaurants, small shops and pubs.

The Boating Group have arranged a THS at this very popular Club site during the school Summer Holiday. The site has excellent facilities, but you are advised to take your own as they are some distance from some of the pitches. There is a limited number of pitches available, all hardstanding with electric hook up. Launching of canoes and small car-toppable dinghies is possible direct from the site into Derwentwater (a daily launching fee is charged). It is possible to launch larger boats from nearby marinas and it may be possible to hire a mooring. The site is a short walk to a large supermarket and the centre of Keswick for Banks, specialist outdoor shops, outdoor Market, many eateries and other shops. Keswick is at the centre of the Northern Lake District fells for those who wish to indulge in energetic walks. There are frequent bus services to many other areas of the lakes. See YBS Book for further attractions. There are several rules and restrictions which apply to those attending this site. Only one car per pitch, pitch sizes are strictly enforced and due to the possibility of flooding, all caravans must have a towing vehicle on site overnight. See YBS Book for details. Advance booking is essential. Please contact stewards before sending a Booking form.
