## COMMODORES REPORT

The Boating Group is your group. If you have enjoyed attending our THS' or weekend meets and haven't already, please consider putting something back so that they continue.

For those who have given of their time and energy to the group during my term of office. Thank you.

The group is heading for a crisis and needs new blood with fresh ideas to come forward and help on the committee, which is shrinking as people retire. Without replacements coming forward this group has no future.

Our treasurer will finish at the end of this financial year and whilst happy to support his replacement he will not be continuing on the committee. It is easier if the next treasurer can spend some time learning the job while the existing treasurer is in post. They need to be appointed at our October committee meeting this year for next year and without a treasurer the group cannot continue.

Stewards are also needed for the Rutland THS, Parrog Summer THS and Rutland meet in September. Whilst the group is renowned for being sociable, it is not a requirement that stewards organise a social program. If anyone is interested in stewarding any of these meets please contact Maggie Poulson, Margaret Thompson or myself. There will be time in the morning at Chertsey to answer stewarding queries if anyone is interested, please let us know.

Please make an effort to support the Group at the AGM. If we aren't quorate an EGM will have to be called. This situation is expensive, limits the group's ability to function and can lead to the group being closed down.

The AGM is at Chertsey Club site on Saturday 18<sup>th</sup> April at 2.30 pm. There is a meet at Chertsey that weekend. If you wish to attend it please contact our secretary more than 2 weeks prior. You are however welcome to just attend for the meeting. Please bring your membership card with you. After the AGM there will be a members meeting which will be attended by Mel Hill the Club Vice-Chairman where people can ask questions about the Club or the group. There will be a Bring and Share supper later. I hope you enjoy the coming season.

## The End of an Era

In the Autumn I made the momentous decision to sell my boat. Not a decision made lightly, and not without some regrets, as it had played a huge part in our very enjoyable summer holidays for 30 years. Sid bought the Mirror Dinghy 2nd hand in 1984 and spent some weeks in Spring renovating, painting and varnishing till it looked like new. We couldn't sail then, but acquired an outboard motor which gave us some fun on our first holiday with it that summer at Salcombe.

The following February we attended the Boat Show at the NEC, and being camping club members were soon drawn to the boating group stand, where Bob Rayner talked us into joining. What a life-changing decision that was!!!!

The next thing was to learn to sail, and we found some training on offer in Birmingham on a park pool. This was followed by camping with the BG and some more training at Rutland Water, as well as lots of friendly advice and help from other BG members.

For many years then boating was the main feature of our holidays, particularly at Maenporth, where the excitement of sea sailing took over, and Colin Edwards steward-ed eventful weeks with flotilla sails to Helford Passage, St Mawes, Falmouth and Mylor to name just a few. Also the magic of mackerel fishing contests. There were plenty of mackerel about then and we all returned with enough to BBQ on site at the end of the day.

Rutland Water, Bala, Parrog and the Lake District all add to the wonderful memories boating created for us over the years as well as numerous weekend venues, but at last it is time for this great-grandma to take to a comfy seat and do more spectating and watch others getting wet. Enjoy yourselves!!

## **Bewl Water by Harriet Hockey age 12**

My camping and caravanning week at Bewl Water.

Wow. What a holiday! I don't know where to start. When we arrived at the field I was so excited. I saw my Nanna, Grandad and Uncle putting up our tent. It looked massive until we got inside! My mum put the kettle on and we all sat down on the camping chairs. My uncle, Robert, started saying about the park and my sister and I couldn't wait to go and see it. So after we had something to eat we went down to the park and I couldn't believe my eyes. It was amazing. There was a gigantic slide that you went down to get to the swings, bridges, more slides and much more. It was the best park ever! Then we went back to the site. I found my dad getting ready to walk the dog. I

went with him and it was lovely, peaceful and the sun was just setting. There is so much at Bewl Water including a 13 mile walk around the lake. David was kind enough to take me sailing one afternoon. It was great fun. I learnt lots. He was very patient and a very good teacher. My Grandad, Nanna, Uncle and Sister sailed over to Dunster Bay while my Mum, Dad and I

cycled 6 miles and met them there. We met with the other campsite members, and we all had a picnic. Then I carried on cycling around the lake. It was tiring but fun. I thoroughly enjoyed it! After we went to the cafe, at Bewl Water, they have the best caramel slices ever!

On Saturday it was my birthday and we all got together and shared a cake in the evening; it was a perfect end to a fab holiday. I am looking forward to next year; hopefully there will be more children there to play with and go on adventures!

I really enjoyed my week at Bewl Water, with the Boating Group Section of the Camping and Caravanning club!

Harriet

'Health and Safety' and 'Data Protection Act' rear their heads again.

In this age of personal information being readily available electronically, it was decided at the recent Council meeting that, in future, contact details of most people listed in Buccaneer are to be limited to telephone numbers and email addresses. It was felt that this is sufficient for Boating Group and Club members to be able to have initial contact. The Steward or Rep then has control over who knows their Postal address for requests for Booking forms and payments. Will those whose details are published please check for correct information, what is in Buccaneer is also what is shown on the Website and in the 'Out and About' section of the Club magazine.

The Boating Group now has to state for how long we hold records in order to comply with the Data Protection Act. The following is an extract from the minutes which applies to records of personal information held by Stewards.

### Deletions of records

- All electronic records held by Stewards, and data or communications, relating to the meet must be deleted 12 months after the completion of the Meet.
- All physical Booking forms relating to a meet must be sent to the Treasurer with the Meet returns.

Anyone needing further clarification may contact Maggie Poulson or any other Council member.

**Barton Turf THS Sat 1st—Sun 9th August**

**Steward: Di Newberry**

Can't make it the Barton Turf weekend or want a longer break at this great location then there is a great THS in the school holidays. This is always a popular location for families. There will again be opportunities for training or fun activities, or just to go off and do your own thing. It is great location for sailing being only a short distance down the staithe to the expanse of Barton Broad. It is also a perfect spot for just messing about in a canoe or dinghy just exploring all the backwaters. With lots of riverside pubs and eateries you can have a great day out with a stop for refreshments.

I can remember when we were camping and went off and landed at Goose Green for a great all day breakfast, did that taste good after a bit of exploring in the kayak, and on the way back we even managed to stop and pick some great blackberries that were only accessible from the water.

There are so many interesting locations to visit in the area. Beautiful broadside towns and villages such as Sutton and Potter Heigham, or even a little further afield to the country town of Norwich with so many interesting museums and buildings and of course plenty of great shops and one of the largest market squares in the country. Take the guided town walk for a really interesting couple of hours.

If you can't live without a glimpse of the sea then its still not far to travel to some great Norfolk seaside towns, such as Cromer or Sheringham or even Yarmouth and all are easy to access by public transport if you don't want to drive in.

## Calling all younger members of the Boating Group

**The Mel Shore Trophy** is an award for the best contribution to the Buccaneer. It was set up in honour of one of our much loved former editors of the magazine. In addition to the award the committee have added a **£75 bursary** to be spent on a water sports course or qualification. Your entry could be a picture, a story, an article, a poem or anything else linked to water, boats or the Boating Group. So come on kids get writing or drawing and you could be the winner.

Mel died in 2008 after a long battle with cancer. He is fondly remembered by many as Editor of the Buccaneer and as an enthusiastic and knowledgeable sailor who was always prepared to cheerfully offer advice on sailing matters. The Mel Shore trophy was commissioned and made by Mike Wooldridge and first presented at our 40<sup>th</sup> anniversary meet.

The award is open to any young person (under the age of 18) who is a child or grandchild of a Boating Group member. Please send all entries by e-mail or in writing to Colin Knight.

**The Alf Gardner Trophy** has been awarded to Boating Group youngsters for many years. It will be awarded to a child or grandchild of a Boating Group member (under 18 years) who achieves something special, no matter how big or small, on the water or linked to their water sport. Achievements will be considered on merit. Again the committee have added a **£75 bursary** to be spent on a water sports course or qualification towards waterborne training.

Alf Gardner was an early member of the Boating Group from 1973 until his death in 1978. He was one of many members of the Mirror Association who joined us when we arranged joint rallies. He was an enthusiastic sailor supporting events in the Midlands and nationally. The trophy in memory of Alf was agreed in 1978 -9 and was carved by committee member Bill Lee with the brass work arranged by Colin Edwards. The trophy was originally presented at the Rutland meet to the crew (under 16) who had the best results competing in the Rutland regatta which was held during our meet at that time. We understand that he missed our first Rutland meet due to ill health. If any members have any further memories of Alf we would love to hear them.

Nominations can be made by stewards, parents or relatives. Again send all nominations to Colin Knight, in writing or by email.

Each Trophy can only be won once by any individual.

**Remember 'You have to be in it to win it'**

**The closing date for entries will be 1st April 2015,**

**But don't wait till then,**

**SEND YOUR ENTRIES IN NOW**

**To Colin Knight, 3 Court Garth, Kempsey, Worcester, WR5 3JJ**

**email: [Colin@home-farm.org.uk](mailto:Colin@home-farm.org.uk)**

The winners will be announced during the Group's 2015 AGM.

### WEBSITE - MEMBERS AREA

Following a number of requests we have created a 'member's area' on the website that is only available by entering a password. The area is under the 'more' section drop down menu on the right hand side.

The password can be obtained from the webmaster by completing a 'contact us' form also under the 'more' section. Please do not forget to quote your membership number. In this section we have been adding forms & information that you will find useful when camping with the Boating Group. It's 'work-in-progress'.

Any suggestions for further information are welcome.

# BOATING GROUP EVENTS PROGRAMME

## General Information.

The meets programme for 2015 is printed for your reference. Please contact the steward for the latest situation regarding fees, availability, directions etc., before booking. If you haven't been to a BG meet before the procedure is simple.

For **Temporary Holiday Meets (THS)** send your booking form (see P.33) with a cheque made payable to the CCC Boating Group to the meets steward (unless specified otherwise) ASAP (and an SAE (if you are not on email) for their reply). If all the places have gone the steward will contact you. You can then either have your cheque back & book another meet or be kept on the waiting list. You can avoid this inconvenience by telephoning –or emailing – the steward first (**recommended**) to confirm a place is available & book it-but you must then send in the cheque (or fee by BACS) & form straight away otherwise you will lose your place (in fairness to other members).

**If paying by BACS please include the App Code in the reference-it is included in the meet info –it ends ‘/ 2015’.**

For **weekend & 5 day meets** you are advised to email or phone the steward first to register your interest and make sure a place is put aside for you (if booking is necessary), then send in a booking form (they can be emailed). **Do not send in any money** (unless specified) with your booking form as fees are usually collected in cash on site.

Remember!! If you have booked a meet and you have to cancel for whatever reason **please, please** tell the steward at once. Whether you have paid any money or not is irrelevant. It is polite to email or phone and cancel, since many sites have limited spaces the stewards will almost certainly be able to fill your vacancy from their waiting list if given fair warning. Remember, play fair, one day it could be you on the waiting list!

To contact a steward see P.18. Also look at the committee and contacts pages near the back of the Buccaneer and contact Beryl Ireland, the Chairman of the Meets Management Committee if you would consider stewarding one of these – or any meets in the future. We are always pleased to receive offers of help with stewarding and there is a 'Meet Pack' & 'Spreadsheet' for each site which makes the whole job a lot easier. Without stewards there would be no meets and it really isn't that difficult to do. The work of our existing stewards is highly valued and appreciated.

Please note that the fees in the meet details are for a 'unit' of two adults and two children, extra persons *may* have to be paid for.

**We seek them here, we seek them there –DO YOU know anyone who could volunteer to — join our committee???? —or —steward a meet?????**

# SHORT MEETS 2015

## Cobnor

**Thu 2<sup>nd</sup> — Mon 6<sup>th</sup> April:** ( M6616 / 2015 )

**Fri 12<sup>th</sup> June— Sun 14<sup>th</sup> June:** (M /2015)

**Fri 11<sup>th</sup>— Sun 13<sup>th</sup> Sept;** (M / 2015)

**Map ref: 197/791024**

**Postcode: PO18 8TE**

Cobnor is a minimum facility site for all units and your own sanitation is essential.

There are good launching facilities for boats up to 16' into Chichester Harbour. But regrettably no boats larger than this, multihulls or windsurfers are allowed to launch. Chichester Harbour offers some great sailing, canoeing or small craft under engine with locations such as Dell Quay or Bosham being ideal destinations. There are also a variety of picnic destinations for expeditions out. Lovely walks from the site and also great country lanes for quiet bike rides.

To find the site, turn off the A27 on to the A259, turn left into Chidham Lane, almost opposite the Bosham (Beefeater) just *before* Nutbourne, if travelling west. If travelling East, it's just after ,at the end of Chidham Lane (1.2M) turn left into a private road marked **Cobnor Farm and House**. The site is through the farmyard past Gerald Daniel and Cobnor Activity Centre, then 50 yards on the right.

Booking not essential but phone call or e-mail to stewards would be appreciated.

**Cost £6.50 p / adult £3.50 / child p/n Harbour Fees to pay**

Chertsey is on the banks of the Thames, just a 30-minute train ride from Central London.

There are plenty of leisure activities for children in Chertsey & the surrounding area.

It's also perfectly placed for visiting some of the country's best-loved theme parks (Lego Land, Thorpe Park and Chessington), as well as the world-famous Kew, Wisely and Savill Gardens, Hampton Court

On Saturday we hope to hold the AGM. We will have use of the hall from 6 to 10 on Saturday evening for our usual American Supper & Quiz.

On Sunday we will 'blow the cob webs off' with a short walk along the river bank.

# SHORT MEETS 2015

**Linch Hill Leisure Park, Nr Witney, Oxon.**

14—17 May ; 23 –26 July; 13—16 August

## All meets for 2015 cancelled

We have only recently been advised by the owners of Linch Hill that the Boating Group will no longer be allowed to camp and sail at Linch Hill. The site is predominantly for a syndicate fishing group, and is one of the top fishing lakes in the country. Although the Boating Group has been using this venue for over 20 years sharing the lake amicably with the fishermen on our camping weekends, it would appear that members of the current syndicate are opposed to us being there. It is regrettable, therefore, that the owners, after balloting their members feel they can no longer accommodate the three boating group fixtures for this year.

I am sure that those of you who have joined us in the past will be as disappointed as we are at losing this site, one of our personal favourites and one of the favourites of many of our younger members. But as they say "All good things must come to an end."

Alex Webster

It is with deep sadness that we report that we attended the funeral of Alexander (Alex) Webster—who passed away suddenly on the 1st June 2014. Alex was a Boating Group member for many years. He attended many meets in the north and with his wife June and family members regularly attended the Windermere meets.

He was a great character and will be sadly missed by his wife June and his many friends. Derek and Edith Dumper.
