SITE INFORMATION

The Boating Group have arranged a THS at this popular Club Site making a great Autumn break. The site has excellent facilities as you would expect from a Club Site. There are a limited number of pitches available all with hard standing and electric hook ups. Launching of canoes and small dinghies is possible direct from the site into Derwent Water (a small daily launching fee is charged). It may be possible to launch larger boats from nearby marinas or may be able to hire a mooring.

The site is a short easy walk to a large supermarket and the centre of Keswick. There are frequent bus services to many other areas of the lakes. Keswick has Banks, specialist outdoor shops, outdoor market, many eateries and other shops. There are a number of National Trust properties in the area. The area is also good for walks, several of which are accessible directly from the campsite. The "hop on hop off" ferry also runs around Derwent Water so this makes for a great day out. Site requirements are only one vehicle per unit per pitch and pitch sizes are strictly enforced
